## BAF ADJUSTMENT - JULY 2021

Following our last review of bunker prices, BAF will be revised for all vessels sailing from the respective load ports on or after 1st July 2021 as follows:

| Port                         | Per 20'           | Per 40'             |
|------------------------------|-------------------|---------------------|
| Asian Ports & Intra-Pacific  |                   |                     |
| Island                       | USD <b>720.00</b> | USD <b>1,440.00</b> |
| To/From Papua New Guinea and |                   |                     |
| Solomon Islands              |                   |                     |

We will continue to track and monitor the bunker price levels and review our BAF on a monthly

basis. We thank you for your valued and continued support for NGPL.
