BAF ADJUSTMENT – JULY 2024

Following our last review of bunker prices, BAF will be revised for all vessels sailing from the respective load ports on or after 1st July 2024 as follows:

| Port | Per 20' | Per 40' |
|--|-------------------|---------------------|
| Asian Ports & Intra-Pacific Island To/From Papua New Guinea and Solomon Islands | USD 700.00 | USD 1,400.00 |

We will continue to track and monitor the bunker price levels and review our BAF on a monthly basis. We thank you for your valued and continued support for NGPL.
